# In Blue

## Thinkingmachine

You'll seek me  
wherever you might think of  
But I see  
nothing but blue

There's no doubt  
nothing is everlasting  
The wind is like a child  
playing with me

O oh  
We haven't found all  
O oh  
There will be

Your face  
is questioning me in silence  
Before me  
whispering of you

There's no doubt  
time is always passing  
Waging war and wild  
Painless and free

O oh  
We haven't found all  
O oh  
There will be  
O oh...
